Developing an Effective Campus Fire Safety Education Program

Description

THE CENTER FOR Campus Fire Safety
www.campusfire.org

Firewise Campus

Developed for the Campus Fire Safety Educator, Firewise Campus (FWC) will offer training programs with funds provided by a Department of Homeland Security Grant. The instructor led program targets those who are accountable for Fire Safety at colleges and universities. The program is taught by experts with a passion for the cause of Campus Fire Safety and includes the following:

- Best practices
- A roadmap for creating a successful Campus Fire Safety Program
- Facilitated exercises for addressing common issues and obstacles to achieving a fire safe campus
- A toolkit of 90 items for addressing various issues
- Methods for getting essential audiences such as administrators, parents resident assistants, landlords and students involved in the cause
- An exercise for evaluating and targeting a successful Campus Fire Safety program at your college or university

2. Choose the PRE-REGISTER button

3. The Info Screen, as shown below, will pop-up. Complete it, and don't forget to choose your location!

The screenshot shows the "APPLICATION FOR TRAINING" form for the Campus Fire Safety program. The form includes fields for Name, Address, City, State, Zip, Phone, E-Mail, College, University or Public Safety Affiliation, Title/Position, and Years of Experience. It also includes a section for "Please explain your role and/or responsibilities for providing fire safety education:" and a section for "Which class date and location would you be interested in attending?" with a dropdown menu showing "September 24-25, 2007 Boulder, CO". There is also a "Will you require lodging for this class?" section with a "Yes" dropdown. A "Submit Application" button is at the bottom.
